Received the below letter handwritten from a member of our platoon.

Dear Boy Scouts,

Let me just say thanks you for the care packages you guys sent. IT meant a lot to our platoon. We used and ate everything the box. I personally have one of the pillows you all sent. It was a nice sight to see. I didn't have one before that. It is nice that you guys took the time to make something for us. It really means a lot to me and my fellow soldiers. Continue to do such nice things for others. Sacrifice is a big part for us, thanks for reminding us why we do it.

Your friends in Iraq,
