

I hear that your Rotary meeting was a big success. I love the website. I'm forwarding to you a picture of my platoon - the 442 QM Iskan Laundry Crew. They are an Army Reserve Unit out Bellefont, PA (near State College). Laundry often gets contracted out, but since the 501 is a little remote, one of the Army's few remaining SLCR teams serves them. Mark says "They have a great attitude and are loved by everybody on our FOB (forward operating base). Heck who wouldn't love guys who wash your clothes, fold them, and return them all in a day?"

They are led by SSGT Thomas Jackson, SGT Jason Burger and SGT Roy Rodgers. I don't know who is who in the picture - I don't believe that SGT Rodgers is in it at all. SSGT Jackson has been in the army for 27 years and SGT Rodgers is 57. The youngest man in the platoon is 19. The platoon members are from VA,NY,MI,PA,DC, and WV. Some are stationed out in the field with other units.

They have been excellent at communicating with me and seem to be just a great group of guys. Maybe you have their picture included on the website.

Have a great day.
