

Hi Eric,

We have gotten several e-mails from our platoon but nothing recently that would indicate they received our letters and packages. My students are excited about the project.

Our website is Family & Consumer Science department, Sun Valley high School

Please share these comments from my guys with your class.

We are a group of 10 battled hardened, salty, dusty, paratroopers. Our specific task is HR, yeah Human Resources. We are paper pushers with guns, guts and glory.

SPC Alex Londono- Hello my is Alex. I'm 25 years old and a native from Ft Lauderdale, FL. I'm very grateful that you class is doing this for us. The one I thing we can't get enough of is Baby Wipes. Thanks for your support.

PFC Rayshawn Ivory - My name is Ivory. Iraq is dusty. I know it's cold right now in PA. We are very humble soldiers so the fact that you guys thought of us is enough. To all the Seniors - Congratulations!

PFC Christopher McMath - Whaddup? dis Mac ya dig, and I appreciate your support very much. I don't get mail often, so the fact that your supporting our cause is great. Stay in school and keep hope alive.

CPL George Mesias - My name s George for the Dirty Jersey (New Jersey). You have my sincerest thanks for sharing your thoughts and prayers with us. It isn't always being here, away from family and friends, and our usual comforts. It always helps to receive love from home though, from wonderful citizens like yourselves. God Bless America!

SSG Eddie Montanez - Hello, I am Eddie. First I want to say thank you for thinking of us. It can be hard here at times, but with great Americans as yourselves, makes the time go a little faster. Thank you again, and for all of the Seniors joining the Army make sure you go AIRBORNE!

SFC Stonewall - My guys are humble and proud to serve. They don't ask for much but give much in return. Any kind thought, prayer, word of encouragement and victory that you express toward the Soldiers, Marines, Sailors and Airmen serving is great and well appreciated. Be great citizens - vote - speak up/out - assemble - support.

Basic soldier needs that we can always use are: FOOD; Toiletries; FOOD; magazines; books; FOOD; movies

Thanks Again
